

NFP LocalHubs for FAST Summit 2022

Concept Note

NFP LocalHubs - Hub Leaders

**Together Let's Organize India's
Largest Hybrid Conference for Personal Finance Professionals**

What is NFP LocalHub?

A NFP LocalHub is a NFP member's office or home where delegates of NFP's FAST Summit 2022 will physically come together and attend the virtual event on July 15 & 16. Some highlights of NFP LocalHubs are;

- **Mini Venues** - Member offices or homes as mini venues for Summit delegates.
- **Pan India** - Venues in 100+ locations in multiple cities across the country
- **Study Groups** - Facilitates learning from each other amongst LocalHub participants
- **Human Touch** - Time to be phygital, a mega digital event with human interactions

Who are NFP Hub Leaders & Hub Participants?

- **Hub Leader** - A NFP Hub Leader is a volunteer member who will be responsible for hosting and smooth conduct of the hub activities at their home/office and facilitating community learning and experience for hub participants.
- **Hub Participants** - A NFP Hub Participant is any NFP ProMember or registered summit delegate who opts to join a nearby LocalHub and attend the FAST Summit along with other members and delegates.

Who can be an NFP Hub Leader?

- Any NFP ProMember or QFPF Certificant in good standing will be invited to volunteer as NFP Hub Leaders and host the Summit at their home/office/ nearby AMC office/ Co-working space.
- Members & Certificants who believe in community building & benefits of learning and growing together.
- Members & Certificants who have the required Hub set-up or can arrange for a set-up may also express their interest to volunteer as NFP Hub Leader.

Requirements for NFP LocalHub

1. **Seating Capacity** - Any home/office/ AMC offices/ Co-working space with required space, chairs and a table that can comfortably host a minimum of 4 or more participants including self for 2 days.
2. **Common Screen** - Has or can arrange a Screen / TV / Projector / Laptop for viewing together on a single screen. And a good audible sound output.
3. **Internet Connection** - Strong & stable Internet connection with a minimum of 5 Mbps for seamless streaming of the virtual event.

Frequently Asked Questions (FAQs)

1. What are the basic requirements for a Hub Location?

The location should be a place that can comfortably host anywhere between 4-20 people. The idea is to facilitate a community learning experience. It can be your home or office which is accessible by other delegates in your locality / city.

2. How will the information be communicated?

An admin only WA group with all Hub Leaders will be made by NFP for sharing updates and communication. Hub Leaders are requested to form a WhatsApp group with their participants one week prior to the event.

3. When will I get to know who are the participants in my Hub?

Once your Hub capacity has reached the maximum limit or one week before the Summit, NFP Team will get in touch with you and share details of the participants.

4. How will the costs incurred for hosting be paid for?

NFP Hub leaders are requested to organize the LocalHub as no profit / no loss initiative. NFP will be instructing the hub participants to bear the costs incurred by

hub leaders for arranging lunch/refreshments. Hub participants will be requested to pay in cash or by Google pay to Hub Leaders directly. The total cost to participants for 2 days can be in the range of ₹1,000 to ₹1,500 per participant.

5. What happens when confirmed participants don't turn up for the event?

In case of such a situation, any losses incurred by the Hub Leader will be compensated by Network FP on sharing the Income Expense sheet.

6. Is it compulsory to have a projector/ TV Screen set-up?

No, if all participants are comfortable with carrying their own laptops a classroom-style set-up in your board-room office can also be done with all members attending together in their own systems. In this case hub leaders are requested to have enough charging ports for all participants.

7. Can Leaders take an external venue and organize it as a Hub?

Yes, but it would be the responsibility of the NFP Hub Leaders to finalize the location, make the arrangements and collect the extra payment from participants to pay towards the venue. Leaders can also host the Summit in small coworking spaces / Hotel Board-rooms / Society clubhouses for larger groups. In such a case, Hub Leaders are required to take prior permission.

Network FP Point of Contact

Radhika Bidawatka from the NFP Team will be the one point of contact with all NFP Hub Leaders. Her contact details are 9892089113 / radhika@networkfp.com
